

AIR FORCE SECURITY

In this role, you'll contribute to a safe and secure operating environment, providing airbase protection and a rapidly deployable response to protect air operations across the ground threat spectrum. This includes physical threats, emergency response for major incidents, and protective security for Air Force assets and installations within Australia and overseas. The security requirement is 24 hours a day, 7 days a week, therefore you may be rostered on rotating shifts.

YOUR DAY-TO-DAY

As you gain skills and experience, you will have opportunities to diversify your security career with significant through-career training and development opportunities, including:

- Protective Security – conducting certification and accreditation tasks, and supporting security compliance activities.
- Protected Mobility – providing Air Force a capability with enhanced protection, mobility and/or firepower utilising protected vehicles.
- Aircraft Security Operations – providing security for aircraft and personnel in situations, safely operating around aircraft, inflight security, flight line and personnel security.
- Sensor and Surveillance Systems – working with various sensor and surveillance systems, such as Military Working Dogs and Unmanned Aerial Systems.

Your duties may include:

- incident and emergency response
- airbase security operations
- apprehension, processing and management of intruders and trespassers
- search and seizure personnel protection
- operation of security sensors and related technology
- operation of specialist vehicles and weapons
- security threat assessments
- security advice, planning and policy guidance
- combatant training, advice and instructional duties

HOW YOU'LL PROGRESS

Opportunities for progression and upskilling continue throughout your career. As you progress, the Air Force will provide you with development opportunities to assist you with your increasing leadership responsibility, as well as further education and specialised training within your chosen role. This world-class training will strengthen your skillset and help you to lead teams of aviators in future.

WHERE YOU'LL WORK

Following training, you may be posted to any Air Force Base or Defence establishment within Australia, with some opportunity for overseas deployments.

HEALTH AND FITNESS

To join the ADF, you must be healthy and physically fit. You'll also be required to successfully pass a physical fitness assessment as part of the entry requirements based on the following:

Female:

- Sit-ups (feet held): 20
- Shuttle Run Score: 5.1.

Male:

- Sit-ups (feet held): 20
- Shuttle Run Score: 6.1.

Once you join, you will be required to maintain your fitness standards throughout your career, including at Initial Military Training where you will complete another fitness assessment.

MILITARY TRAINING

 **Course:** Air Force Recruit Course

 **Duration:** 11 weeks

 **Location:** RAAF Base Wagga, NSW

During this training you will transition from civilian to Service life, acquiring the basic knowledge, skills and physical fitness required for your role; and learning to become an effective and productive member of the Air Force.

The major elements of the course include:

- personal development and teamwork
- parade drill
- weapon handling and firing
- airfield defence
- fire fighting
- physical fitness
- Air Force history, customs and traditions
- military law

After graduation, you'll undertake Initial Employment Training (IET) in your trade or category.

EMPLOYMENT TRAINING

 **Course:** Security Forces Basic

 **Duration:** 18 weeks

 **Location:** RAAF Security and Fire School (RAAFSFS), RAAF Base Amberley, Qld

You'll be trained to be capable of performing Air Force specific duties during routine activities through to increased security and ground operations. Lessons and training will take place in the classroom, in the field and in domestic and operational areas.

Topics include:

- weapons lesson instruction
- field training
- range practices
- operational safety skills training
- physical security procedures
- emergency response
- initial action and management of incidents
- security policy and legislation

- security compliance and risk management
- security authorised member of the ADF
- control of entry to ADF establishments and restricted areas
- conduct of routine patrols
- challenge and apprehension of intruders
- first aid.

SALARY

You'll be paid while you train, and on completion of your Initial Military Training and Employment Training, you'll earn at least:

YOUR STARTING SALARY

YOUR SALARY ONCE TRAINED
